'Tempus fugit', as my old college chump used to say. But that isn't half as bad as what happens to some collars after just one or two trips to the laundry. Why not wear good collars for a change? 'Good' is the other name for Corliss-Coon-the collar with the record for laundry trips."

Umpire's Work is Poor.

(Special to The Times-Dispatch.)
Portsmouth, Va., June v.—Norfolk
came across the river this afternoon
and won a rather uninteresting game
from Win Clark's Pirates, 10 to 3. The
Rookles hit Vall hard, but the large
number of runs was due to ragged
fielding on the part of the Portsmouth
team. Hogue pitched for Norfolk, and,
with the exception of the third and
fourth innings, he had the Pirates estiing cut of his hand. The work of Umpire Hawkins was very poor.

Innings; off Guille, 3 i Baker, one of the fastest little fielders in the league, collided with Conners at third base and hurt his leg, which practically put him out of the running after that inning, though he fielded as well as could be expected under the circumstances. Still, had he been fit, there is no question but that several of those hits down third base line would have been taken care of by the local boy. As it was Donnovan had to come in, which worked him more than he should have been worked.

## TIGERS LOSE TO ATHLETICS

The Colts hit the ball, but the hitting was ineffectual, and came at such times that no good resulted. Philadelphia, Pa., June 9.—Philadelphia defeated Detroit to-day 5 to 4 in a contest which was filled with exciting plays, and which closed with two men on the bases, when Collins made a running one-hand stop of Cobb's grounder and threw the batsman out.
